DESCRIPTION OF COURSEWORK

Course Code	CYS102
Course Name	Calculus
Lecturer	Saras Krishnan
Academic Session	2026/04
Assessment Title	Assignment 1

A. Introduction/ Situation/ Background Information

This assignment requires students to solve calculus questions in groups. There are three main parts which are Part A Group Work, Part B Individual Work and Part C Peer Evaluation. Part A contains 5 questions and Part B contains 3 questions. Part C will be conducted using Google docs.

B. Course Learning Outcomes (CLO) covered

At the end of this assessment, students are able to:

CLO 1 Work collaboratively with peers to develop solutions to calculus problems.

C. University Policy on Academic Misconduct

1. Academic misconduct is a serious offense in Xiamen University Malaysia. It can be defined as any of the following:
   i. **Plagiarism** is submitting or presenting someone else's work, words, ideas, data or information as your own intentionally or unintentionally. This includes incorporating published and unpublished material, whether in manuscript, printed or electronic form into your work without acknowledging the source (the person and the work).
   ii. **Collusion** is two or more people collaborating on a piece of work (in part or whole) which is intended to be wholly individual and passed it off as own individual work.
   iii. **Cheating** is an act of dishonesty or fraud in order to gain an unfair advantage in an assessment. This includes using or attempting to use, or assisting another to use materials that are prohibited or inappropriate, commissioning work from a third party, falsifying data, or breaching any examination rules.

2. All assessments submitted must be the student's own work, without any materials generated by AI tools, including direct copying and pasting of text or paraphrasing. Any form of academic misconduct, including using prohibited materials or inappropriate assistance, is a serious offense and will result in a zero mark for the entire assessment or part of it. If there is more than one guilty party, such as in case of collusion, all parties involved will receive the same penalty.

D. Instruction to Students

Show complete working steps to obtain full marks. Marks will not be given for answers without proper working steps.

E. Evaluation Breakdown

No.	Component Title	Marks
1.	Part A Group Assessment	25
2.	Part B Individual Assessment	10
3.	Part C Peer Evaluation	5
	TOTAL	**40**

F. Task(s)

- to be informed in class and on Moodle -
